

With over 50 years of professional experience, Studio BB&A is now offering Limited Edition Fine Art Giclée printing. The principal, Bill Barley, is a graduate of Rochester Institute of Technology with a BFA in photo illustration as well as being an award winning South Carolina photographer. Bill has the expertise to take your paintings or your high resolution files and interpret them for printing onto the highest quality archival media.

Make your choice of canvas, watercolor papers or photo paper surfaces in b&w or color. Archival pigmented inks produce the sharpest and broadest range of colors, from fine highlight details to the blackest black. Maximum print size is 44" wide by any length.

Several methods of print mounting are available. For canvas we suggest stretching on traditional stretcher frames for the most appealing appearance. This can be done as standard (3/4" edges) or gallery wrap (1 1/2" edges, self-framing). Hard mounting is available on Gatorboard for canvas or all papers. Prices are quoted on request.

Canvas Stretching on high quality handmade frames - standard or gallery wrap is \$.78 per lineal inch.
